GÉNÉRALE DE LA PROMOTION IMMOBILIÈRE

GPIM (Générale de la promotion immobilière) is a public limited company under Mauritanian law, wholly-owned subsidiary of SNIM, whose purpose is property management: nonindustrial real estate and property asset management of SNM, in Zouerate, in Nouadhibou and in Nouakchott.

Created in June 2021, GPIM supervised in 2022 the sale at subsidized prices of 600 homes in Zouerate for the benefit of SNIM employees.

It currently manages real estate development within the SNIM scope:

- Housing promotion & construction: Implementation of real estate construction projects and programs, aiming the access to land ownership for as many SNIM employees as possible, in line with their expectations and means;
- Technical management of buildings;
- Supply and installation of urban furniture
