IMPORTANT MESSAGE FOR SNIM SUPPLIERS

Dear Supplier,

We are pleased to announce the new initiative by the SOCIÉTÉ NATIONALE INDUSTRIELLE ET MINIÈRE (SNIM) regarding the integration of our suppliers onto the SAP Ariba platform. This step aims to streamline and centralize the updating of essential data through a simplified registration and qualification process.

When will this transition take place?

This notice serves as an introduction to our digital transition to SAP Ariba. You will soon receive a detailed guide describing the registration process on ARIBA and other crucial information for the upcoming steps. Your cooperation is essential in facilitating this transition.

What are the benefits for you?

- An easy-to-use web portal.
- A unified method to respond to our tenders.
- Streamlining and reducing administrative expenses.
- Centralizing your data and processes in a single portal for smooth interaction with SNIM.
- Continual update of legal information, contact details, and other relevant company data.
- 24 hours a day and 7 days a week access to your commercial transactions with SNIM.

Are there any costs associated with this initiative?

There are no fees for suppliers. Registration and approval via the Standard Account on the platform are free and will allow you to participate in future sourcing events at no extra cost.

How can you obtain more information and training on this initiative?

A detailed guide will be sent to you shortly to explain the next steps and provide functional training on using the SAP Ariba platform.
